Greetings,

On behalf of the Coldwater Golf Course... THANK YOU! for another wonderful golf season and for your continued support of CGC.

2023 saw an increase in Total Rounds Played, (even with March/April washout) we had a record year in Golf League Participation and the Golf Outings we hosted also had record participation. The state of golf at Coldwater Golf Course is vibrant. We will continue to provide a top-notch product that is Fun, Affordable, and Playable.

With the end of the season upon us it is time to start thinking about a 2024 Membership. (See Reverse Side)

**SAVE NOW:** Pay your 2024 Membership before *November 26<sup>th</sup>* and receive a 10% Discount. Pay between *November 27<sup>th</sup>* - *December 30<sup>th</sup>* and receive a 5% Discount. All **NEW** Members for 2024 receive a 10% Discount through December 30<sup>th</sup>.

What's Happening 2024:

A few things, (but not limited to) you will see improved: Aaron and his team will be renovating the teeing ground on Hole -2- making it larger to accommodate the increase in rounds played. A few aging trees will be cleaned up/ dropped along with stump grinding. A goal that is still in motion, is to create a set of "Hybrid" tees on select holes to better accommodate all types of golfers. We are giving this a lot of thought to ensure that when it is complete it meets the U.S.G.A.'s expectations along with the golfers' expectations.
