

Paragon Ladies' Bits and Bites

June 2022
Rosemary Willett

Welcome To Paragon

The following is information that we hope will help make your participation in the Ladies' schedule more enjoyable. They are very brief bits and bites so if you have any questions, please ask.

Rules In 2019 there were some changes to the Rules of Golf. 20 Must Know Rules of Golf for 2019 can be found at golfcanada.ca/rules. Thanks to Tracey Coleman who discovered the following 9 minute video that demonstrates these rules:
Yves C Ton-That rules video.

Entering scores All acceptable scores during the active season (April 15 to Oct 30) **must** be posted.

Handicap System The purpose of the Handicap System is to make the game of golf more enjoyable by enabling golfers of differing abilities to compete on an equitable basis. You need an up to date and accurate Index to compete in provincial and club tournaments

Handicap Index is the average of the best 8 differentials of the last 20 games. It is a measure of a player's potential scoring ability. A handicap index is converted to a course handicap for competition on a particular course.

Course Handicap is the number of handicap strokes a player receives from a specific set of tees at the course being played.

Handicap Stroke Hole is a hole on which a player is entitled to apply a handicap stroke or strokes to her gross score. This information is necessary for calculating your maximum hole score as well as when you are playing Match play.

Course Rating reflects the difficulty of the course for the scratch golfer. For ladies, Paragon's Course Rating from the red tees is 71.3 and from the orange tees is 64.2.

Slope Rating The slope rating reflects the difficulty of the course for players who are not scratch golfers. The lowest is 55 and the highest is 155. For ladies, Paragon's slope rating from the red tees is 121 and from the orange is 106. The average against which courses are rated is 113.

Equitable Stroke Control (ESC) has been replaced with "NET DOUBLE BOGEY". A "net double bogey" is a player's maximum hole score for handicap purposes. It is the maximum that a player can post on any hole depending on the player's course handicap. At the end of the round the player must adjust her score on each hole that requires adjustment. Hint: If you enter your score hole by hole, the computer will do it for you. The adjusted score is $\text{par} + 2 + \text{handicap strokes}$.

If 14 or more holes are played the player shall post an 18 hole score. The score for unplayed holes shall be recorded as par plus any handicap strokes that the player is entitled to receive on the unplayed holes. Do not use "net double bogey" on unplayed holes.

If 7 or more but less than 14 holes are played - enter a 9 hole score using your net par on any unfinished holes. Choose the appropriate 9 on the Round Entry Screen and enter your adjusted score. When you enter your next 9 hole round the computer will combine them.

Handicap Committee

The 2021 Committee includes:

Dave Potter

Michael Willet & Rosemary Willett

On the Monday prior to the Ladies Day Scrambles a list of the Ladies and their handicaps is printed and posted in the washroom. The committee monitors the greatest reduction in handicap for the senior and amateur lady player. (to qualify all games played between April 15 and October 30 must be entered in the computer handicap system). Prizes are awarded at the closing.

Sign up for Ladies Day at the Pro Shop before noon on Monday or call 902-765-2554. If you need to cancel, please call as well.

Ladies Day

On Wednesdays, there will be scrambles on May 11, June 8, July 20, Aug 10, Sept 8 and Sept 28 administrated by Joanne and helpers. On the remaining Wednesdays, each team will record the team total of 1 putts (worth 1 point) and chip ins (worth 2 points). Laverne and her helpers will administer this competition.

Each player pays \$5 – Birdie, 50/50, Chip in and team prizes

Ringer Board Will be changed this year to Ladies Day only. (\$5) Therry Bush-Ward has volunteered to run it.

Paragon Invitational Each team consists of 2 players and the difference between handicap factors is to be no more than 6. This year Joanne Spicer and Barb Eaton are chairing the Tournament and it is a 1 day event on July 13. Check out the poster on the website.

Peg Tournament It has been an annual Tournament with teams from Paragon, Eden and Greenwood. The first 15 to sign up are the team. At the tournament the 4 lowest nets from a club are compared to the 4 lowest nets from the other 2 clubs. The lowest total wins the Tidman Tray. There may be a change in the format but the date for this year is August 31. Therry has volunteered to chair this committee.

Club Championship August 13 and August 14 There is an entry fee and there are gross and net prizes. No chair yet.

Match Play In Match Play the game is played by holes. At Paragon we used to have single and team match play. In Team play each team consists of 2 players. Players subtract the lowest handicap of the 4 players from each handicap in order to get the number of strokes allocated to each player (In singles subtract the lower handicap from the higher one). Players play their own game and the team with the lowest net score wins the hole. The team that wins the most holes wins the match. There was an entry fee and prizes were awarded at the closing dinner.

Example

Player A has a handicap of 10

Player B has a handicap of 14

Player C has a handicap of 22

Player D has a handicap of 37

Player A would get no strokes

Player B would get 4 handicap strokes (the difference between her handicap and 10 (the lowest). They would be on #1, #3, #11 and #12 (the 4 hardest rated holes).

Player C would get 12 strokes on the hardest 12 holes.

Player D would get 27 strokes, 2 one each of the 9 hardest holes and one on each of the remainder.

Jane Walker is looking after it this year. The cost is \$5 per person.

Ladies' Opening is a scramble followed by a meeting (4pm). In 2020 there was rain that postponed it 5 times! This year it was held on May 11.

Bronze Tournament is a provincial tournament. This is a stroke play tournament for 19.4+ factors. Teams are sent from NS clubs. The tournament will be held at Northumberland on August 8. Carol Romkey is chairing that committee.

Home and Home with Berwick

This has been discontinued.

Strawberry Classic This is an annual Paragon Mixed Tournament in which 2 person teams (male and female) compete in Pinehurst Format on a Saturday June 11 and Sunday June 12.

Pinehurst is a game in which both players tee-off. Player A then hits Player B's ball and Player B hits Player A's ball. The best ball is selected and the players alternate shots until that ball is holed out. Generally, 60% of the lower handicap and 40% of the higher handicap combine for the team handicap.

President v Vice-President is an annual tournament. Half of the field is on the President's team and half the field is on the Vice-President's team. The winning team is the team that has the lowest total net. It has not been played in 5 years.

Scramble Each team member will tee off. The best drive is selected and all team members move their balls to within 1 club length of the best ball. All play the second shot from this location. The best second shot is selected and the procedure is repeated until the ball is holed out. There are many variations.

MacEllen A Mixed scramble held annually at Paragon. Cancelled in 2016 because too few signed up and not scheduled for 2017, 2018, 2019, 2020, 2021.

Sam Hayden A pinehurst tournament held annually at Paragon. Cancelled in 2016 because too few signed up. Held in 2017, 2018 and 2019. Rosemary and Mike Willett are chairing this event to be held August 21. There will be a poster available on the web site.

NSGA 2 Ball 2 person teams compete in Pinehurst format. You must have an established handicap to compete. Usually held in late July. This year it will be held at KenWo on July 26.

NSGA Amateur/Senior is a stroke play tournament usually held mid July. This year it will be held at Amherst on July 8, 9 and 10. When it was held at Greenwood in 2019 Leslie Houde won the Masters there.

Ladies' Executive and Coordinators 2021

Acting President	Joanne Spicer pspicer2@live.com
Vice-President	vacant
Treasurer	Debbie Walker brian.walker13@bellaliant.net
Ladies' Day	Executive and friends
Bronze	Carol Romkey dave.carolromkey@ns.sympatico.ca
Club Championship	vacant
Peg	Therry Bush-Ward Therryb@icloud.com
Handicap	Rosemary Willett rwillett@eastlink.ca
Invitational	Barb and Joanne barbeaton@eastlink.ca

As you can see we have 2 vacant positions. Please consider volunteering. If everyone does a little, no one has to do a lot!
